SAFETY

How safe do homeowners believe residents are in their neighborhood?

▶ **Homeowner Survey Results**

We surveyed our Habitat homeowners about their experience with CDHFH. Here's what they had to say.

**HOMEOWNER SATISFACTION**

**95%** of homeowners have seen positive changes in their life since their partnership began with CDHFH.

*"The program is wonderful – not sure what they could do better."*

**THE NEIGHBORHOOD**

*"All the neighbors came and helped us build our home for our family... they are very friendly."*

**76%** of homeowners stated that if given the choice, they would continue to live in their neighborhood.

*"We have lived in this town for 6 years and we have family and friends here... we've started planting roots."*

**FAVORITE THINGS**

-  Affordability of Housing
-  My House
-  Safety in Neighborhood
-  Accessibility of Amenities

What changes have homeowners seen in their children's social health?

*"Less stress, more happy and active and making friends!"*

*"They acted better emotionally and their behavior was better."*

*"They are happier and more social with other kids and people."*

**THE HABITAT EXPERIENCE**

**90%** of homeowners felt that the sweat equity they contributed to their home helped prepare them for home maintenance.

*"I learned to fix things around the house."*

**67%** of homeowners said that the financial literacy classes provided by Habitat helped manage their finances.
